Profile

Brent Clark is a Senior Manager in the Audit, Accounting and Advisory Services Department. He has worked in several areas of accounting in public and private practice and has fourteen years of experience serving companies from numerous industries.

Brent currently serves as the Lead Manager of the firm's Employee Benefit Plan practice, which includes the development, staffing, training and management of the entire practice and team.

Education

Brent graduated from the University of Tennessee with a Bachelor of Science in Business Administration with a major in accounting.

Experience

Brent's areas of expertise include auditing and accounting services related to a variety of industries including construction contractors, real estate developers, manufacturers, not-for-profit entities and employee benefit plans.

Brent was previously employed by MEDIC Regional Blood Center as the Chief Financial Officer. Other experience includes financial and cost estimating positions in the construction industry.
